

SOMAS Dark Screen Reset Guide

If you encounter a dark screen in the SOMAS system, follow these steps to reset it:

Instruction: Scroll down the page until you locate the **Accessibility** icon (usually represented by a person or universal accessibility symbol).

Instruction: Click on the **Accessibility** icon. A dialog box will appear with various options.

Instruction: In the dialog that appears, look for the orange rectangular button.

Instruction: Click on the **orange rectangular button** to reset the display settings and return to the normal screen.
